

Sycamore Ridge is known for its tranquil environment and is located just a few minutes south of Olathe in Spring Hill, KS. It was opened in 2001 and was designed by Baxter Spann of Finger Dye Spann. Spann created a course that makes you feel a world away from civilization. The impressive layout, a links style front nine and a forested back nine crisscrossed by streams and punctuated with challenging elevations, offer golfers 18 holes of championship golf.

This par 72, design offering 5 sets of tees accommodates players of all ability levels. Bent grass tees, fairways and greens accompanied by zoysia collars create an ideal playing surface. Various types of shots will be necessary for the golfer to successfully navigate the challenge that Sycamore Ridge offers. The course offers a challenge to all levels of golfers with generous fairways and perfectly manicured greens. Yardage is 7,055 from the tips and 4,857 yards from the ladies tees.

Rated one of Kansas' top 10 courses by Golf Digest the last 3 years, and the number one rated golf course in Kansas City by the Kansas City Star 4 years running, it is no wonder why golfers “play for the pleasure, and come back for the challenge.”

Alex Eichman is the Director of Golf Operations for Sycamore Ridge. He oversees the daily operations of the course and is also head pro. Prior to joining Sycamore Ridge, he was the head golf professional at Alvamar Golf Club on the public side. He was the assistant golf professional in Quincy, Illinois called Westview Golf Course before moving to Kansas. Brian Shaw is the assistant golf professional.

Paul Davis is the new Golf Course Superintendent. Prior to joining our staff, he was the superintendent at Colbert Hills and also Shaker Run in Cincinnati, where they held the Mid-Amateur Championships.

Charlie Pearson is the tournament sales director. Pearson oversees the development of all corporate and tournament outings for the course. Prior to joining Sycamore Ridge Charlie was a sales executive.

Sycamore Ridge is managed by Ridge Golf Management LLC under the direction of Patrick Crooks. Crooks is a specialist in the management and direction of golf courses throughout the United States. He is known for providing financial, operational and development services to the golf and real estate industries. He has been retained by entities such as the Commonwealth of Kentucky, the Myrtle Creek Building Authority, the Maryland Economic Development Authority and by the Western Peaks Financial Corporation.
